Overview

Introduction

AWH4T is seeking applications from agencies interested in or renewing housing projects for people experiencing homelessness. The CoC competition will be administered in accordance with all applicable requirements issued by the U.S. Department of Housing and Urban Development. This Request for Proposals (RFP) is open to any legally constituted non-profit or governmental entity that meets the minimum eligibility requirements; for-profit entities are not eligible to apply for grant funds (see Requirements and Eligible Applicants sections for more information).

All applicants should thoroughly review the [FY24 HUD CoC NOFO](#) regarding eligibility, application and project requirements, and funding process details.

Community Context

A Way Home for Tulsa (AWH4T) is a collective impact of over 60 voting organizations that operates as a coalition of passionate stakeholders and providers who plan and implement strategies with a system approach to end and prevent homelessness within Tulsa City/County. A Way Home for Tulsa has a governing body, Leadership Council, that oversees the coordinated efforts across the community and is representative of the geography and composition of the Continuum of Care (CoC). Leadership Council must approve one entity as the designated Collaborative Applicant (also known as the CoC Lead Agency). Housing Solutions, as the designated CoC Lead Agency, is responsible for coordinating local competitive funding competitions on behalf of the community to receive HUD awarded federal funds dedicated to ending homelessness.

The U.S. Department of Housing and Urban Development (HUD) developed the CoC Program and the Youth Homelessness Demonstration Program (YHDP) to support communities in ending homelessness. AWH4T was first awarded CoC Program funds in 2011, and the community has gradually increased its HUD support since that time. In 2022, HUD awarded AWH4T \$5.38 million through the YHDP opportunity; these funds provide housing and services to unaccompanied youth and young adults under the age of 24 who are experiencing homelessness in Tulsa County, Oklahoma.

AWH4T Strategic Vision

Applicants, new and returning, must be familiar with goals and concepts included in the AWH4T Strategic Plan and CCP (for YHDP projects) when designing, submitting, and executing projects through the CoC program:

The 2020-2024 Strategic Plan is AWH4T’s comprehensive vision for addressing homelessness in Tulsa. Developed in 2019, the AWH4T Strategic Plan is currently under revision to update each component to current community needs, goals, and action steps.

Access the AWH4T 2020-2024 Strategic Plan [HERE](#)

As part of the YHDP opportunity, AWH4T developed a Coordinated Community Plan (CCP), which provides important information regarding the needs of local young people experiencing homelessness, the goals and action steps identified by our planning coalition, and how YHDP-designated funds are to be used to support our community's efforts to end homelessness.

Continuum of Care Program

Description

The Continuum of Care (CoC) program is a project of the U.S. Department of Housing & Urban Development (HUD) which funds collaborative efforts across the country, each coordinated by a local Lead Agency, to fund and support municipal, state-wide, and regional coalitions across the nation in the development and implementation of a coordinated community approach to preventing and ending homelessness.

The CoC Program requires communities to:

- Bring together a wide variety of partners and systems (housing, child welfare, education, workforce development, criminal justice, behavioral and mental health, among others) to coordinate the community's homelessness response;
- Designate a HUD-approved organization to serve as Lead Agency, which coordinates CoC initiatives and serves as Collaborative Applicant in the CoC Program funding competition;
- Monitor program progress and community-wide data trends in order to direct resources appropriately and right-size the homelessness response system to community needs;
- Assess and address the needs of special populations at higher risk of homelessness, including racial and ethnic minorities, 2SLGBTQ+ individuals, families with children, youth and young adults, individuals with institutional involvement, and survivors of domestic violence and human trafficking; and
- Develop and maintain a Strategic Plan for the community that assesses the needs of individuals and families experiencing homelessness, and targets programming to address those needs.

The Continuum of Care program is authorized by subtitle C of title IV of the McKinney-Vento Homeless Assistance Act ([42 U.S.C. 11381-11389](#)); details regarding the scope and management of the Program are outlined in [24 CFR Part 578](#).

View CoC project-level data here: [Reports & Data | Housing Solutions Tulsa](#).

Youth Homelessness Demonstration Program

The Youth Homelessness Demonstration Program (YHDP) is an initiative designed to reduce the number of youth and youth adults (YYA) experiencing homelessness. Key requirements of YHDP communities include: (1) form and support a Youth Action Board (YAB) comprised of local young people with experiences of homelessness and housing insecurity to lead the YHDP effort; (2) develop a Coordinated Community Plan (CCP) that outlines the community need, vision, and goals; (3) conduct a local funding competition to identify and accept new projects to serve youth and young adults; (4) implement new projects in alignment with CCP and YAB expectations; and (5) monitor projects to ensure alliance to community-determined goals.

Ultimately, all YHDP projects and their funding renewals cycle into the CoC program. All special activities specifically allowed to YHDP-funded projects in order that they may best meet the needs of young people, remain with the projects after this transition.

After selection in 2022, AWH4T participated as a Round 6 community in YHDP. As a result of the 2023 AWH4T YHDP funding competition, five new projects were selected and began operating in November of that year:

- Black Queer Tulsa: Drop-In Center (SSO)
- Tulsa Day Center: YouthFirst Rapid Re-Housing (PH-RRH)
- Tulsa Dream Center: Safe & Secure Diversion (SSO)
- Tulsa Higher Education Consortium: Housing Navigation & Rapid Re-Housing (PH-RRH)
- Youth Services of Tulsa: YST Transitional & Rapid Re-Housing (PH-Joint TH-RRH)

In the sections that follow, instructions related to the YHDP program within the CoC NOFO process apply **only** to these projects. View Tulsa YHDP project-level data here: [Reports & Data | Housing Solutions Tulsa](#) (select Project Type: YHDP).

Requirements

The CoC Program Interim Rule at [24 CFR Part 578](#) outlines the requirements with which projects awarded funds through the competition must comply. To be eligible for funding under this NOFO, project applicants must meet all statutory and regulatory requirements in the CoC Program Interim Rule. Project applicants can obtain a copy of the Act and the CoC Program Interim Rule on the HUD Exchange website <https://www.hudexchange.info/> or by contacting the NOFO Information Center at 1-800-HUD-8929 (483-8929).

The CoC program competition is highly competitive, with communities funded based on adherence to HUD priorities, performance, and outcome expectations.

Policy Priorities

All projects funded by the HUD CoC Program should align with HUD's homelessness policy priorities (NOFO I.A.4.):

- Ending homelessness for all persons;
- Use a Housing First approach;
- Reducing Unsheltered Homelessness;
- Improving System Performance;
- Partnering with Housing, Health, and Service Agencies;
- Racial Equity;
- Improving Assistance to LGBTQ+ Individuals;
- Including Persons with Lived Experience/Expertise;
- Building an Effective Workforce; and
- Increasing Affordable Housing Supply.

Key Changes

Detailed in section I.A.3. of the NOFO, HUD has made several changes to the NOFO process from the previous cycle.

1. Tier 1 is set at 90 percent of the CoC's Annual Renewal Demand (ARD);
2. Though previously an annual competition, The Consolidated Appropriations Act, 2024 authorizes HUD to issue a single 2-year NOFO for fiscal years 2024 and 2025. This cycle the competition will rank and fund projects for both the 2024 and 2025 fiscal years. All projects set for renewal within calendar year (CY) 2025 are eligible—and should apply—to renew with this competition;
3. Funding dedicated to specific populations (e.g., homeless youth or survivors of domestic violence,

dating violence, sexual assault or stalking), if reallocated, must be dedicated to serving the same subpopulation;

4. HUD has expanded reallocation to include DV Reallocation and has expanded the definition of YHDP Replacement to include YHDP Reallocation;
5. YHDP Renewal projects and YHDP Replacement projects (including YHDP Reallocation) may include requests to include special YHDP activities, subject to the requirements in section III.B.4.b.(5) of the NOFO; and
6. HUD is authorized to make reasonable cost of living adjustments to renewal amounts to help afford increasing cost of operations due to inflation.

CoC Funding Competition

Refer to the AWH4T CoC NOFO Standards of Operations for complete details.

Funding Overview

Funding Available

The Annual Renewal Demand (ARD) amount for AWH4T's new and renewing applications has not yet been released by HUD; when the ARD is released, this section will be updated accordingly.

Grant Terms

The ranking of projects selected during this current funding process, as submitted to HUD with the AWH4T Collaborative Application, will apply to both FY 2024 and FY 2025 HUD CoC Program funds (NOFO I.A.3.b). Each selected project will be awarded for a one-year term and execute annual grant agreements directly with HUD. The project award timeline is defined by HUD and is subject to change.

Obligation Deadlines: unless an extension request is filed and granted by HUD, all CoC funds must be obligated by September 30, 2026 (NOFO VI.I.).

Competition Timeline

See the Local Competition Timeline on the [AWH4T CoC NOFO webpage](#).

NOFO Task Group

Empowered by the AWH4T Leadership Council, per the AWH4T charter, the NOFO Task Group is composed of AWH4T member-organization staff and leadership and coordinated by staff of the CoC Lead Agency (Housing Solutions). The Group revises drafts of competition materials created by Housing Solutions, determines scoring criteria, and assigns values to application criteria. Once applications have been reviewed and ranked, the Group ratifies the Project Ranking and submits it to the Leadership Council for final approval.

AWH4T Rank & Review Team

The Rank & Review Team is composed of 5-7 non-conflicted persons to serve as a neutral body to score and rank application submissions. The R&R Team members use a scoring rubric approved by the AWH4T NOFO Task Group to rate applications based on how well they meet local community priorities and programming needs.

Competition Process

Project Application Submission

All project applications are required to be submitted via the JotForm application found on the [AWH4T NOFO Page](#) by the deadline detailed in the timeline.

Local competition deadlines are established to ensure all project applications are finalized within the timeline outlined in the Request for Proposals and to meet HUD specific deadlines. All applications must be complete and submitted within the required deadline to be considered. Housing Solutions, the Rank & Review Team, and/or the NOFO Task Group, empowered by the AWH4T Leadership Council, may grant limited exceptions to submission deadlines in the event of exigent circumstances. Refer to the Competition Timeline.

Threshold Review

All submissions will undergo a threshold review for completion and accuracy prior to being scored by the Rank & Review Team. Projects that submit incomplete applications or do not submit their application by the

stated deadline in the Competition Timeline will not be considered for funding. All project applications must include the following components:

- i. Completed Application
- ii. Project Budget
- iii. Match and Leveraging Letters/MOUs (if applicable)
- iv. Federal Tax Exemption Determination Letter
- v. Project Organizational Chart
- vi. Required HUD Policies & Procedures
- vii. Proof of Ownership or Lease (if housing will be provided at a site-based location)
- viii. Copy of Financial Audits (most recent 2 years)
- ix. Housing First Survey
- x. Equity Checklist

In addition, projects will need to meet the threshold requirements outlined in the Scoring Tool.

We encourage new and renewing applicants to seek technical assistance if they are unsure of their ability to meet any of these expectations.

Review & Ranking of Applications

Application materials will be scored and ranked by the AWH4T Rank & Review Team. Scoring criteria and scoring tools have been developed to measure performance and capacity based on the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act Performance Measures, in compliance with CoC Interim Rule, HUD funding expectations, and other locally identified priorities. The scoring criteria can be found in the AWH4T CoC NOFO Scoring Tool on the Housing Solutions website at www.housingsolutionstulsa.org; this tool details how the YHDP IRT Members shall evaluate projects for the initial ranking. HUD will have the final determination of CoC Program funding awards.

1. Project Review Panel members oriented to the process, materials, and scoring tool.
2. Review Panel members receive applications and scoring materials.
3. Project Review Panel Members review and tentatively score the applications prior to their first meeting in a scoring spreadsheet provided by Housing Solutions.
4. All projects will be scored using the Scoring Tool.
5. The AWH4T IRT will meet over one to three days to jointly discuss each application and individually score applications.
6. Ranked list(s) will be prepared based on scores.
7. Scoring and rationale compiled by Housing Solutions.
8. Rejected applicants will have an opportunity to submit an appeal in writing before the final YHDP Project Ranking is presented to Leadership Council and approved.

Review the AWH4T CoC NOFO Standards of Operations for ranking procedures.

CoC Notification to Applicants

Project applicants will be notified in writing whether or not their applications shall be included as part of the Preliminary Ranking and Final Ranking submission. Applicants that submitted project applications which were rejected by the IRT shall be notified of the reason for the rejection and have an opportunity to appeal the decision before the Final Project Ranking List is approved and submitted to HUD, in accordance with the Competition Timeline.

Appeals

Rejected applicants will have an opportunity to submit an appeal in writing before the final YHDP Project Ranking is presented to Leadership Council and approved. If an appeal results in changes to the Initial Project Ranking, Housing Solutions will notify all ranked applicants of the change.

AWH4T Approval & Publication

The AWH4T Leadership council will approve, or deputize the AWH4T NOFO Task Group to approve, the Final Project Ranking

eSNAPS Submission

eSNAPS is the CoC Program Application and Grants Management System that HUD's Office of Special Needs Assistance Programs (SNAPS) uses to support the CoC Program funding application and grant awards process for the CoC Program. After the local review process has been finalized, all projects accepted for inclusion in the AWH4T's Final Project Ranking must submit their application online in eSNAPS. Housing Solutions and Homebase will review applications in eSNAPS for accuracy and request corrections or revisions before final submission to HUD.

Once project applications have been finalized and the Collaborative Application completed in eSNAPS, all materials will be submitted to HUD, per the Competition Timeline.

Program Structure & Case Management

Staff Sustainability

A stable, supported workforce is key to successful implementation of housing programs. Organizations should have a strategy to ensure that program staff are equipped and supported in their work on this project,

including how staff sustainability will be monitored, efforts to engage community stakeholders to improve pay/support, etc. (NOFO I.A.4.b(9)). Resources for building staff sustainability:

Best and Promising Practices

The following evidence-based practices and topics are expected to be incorporated and utilized across all projects and ensure that services are following national best practices. Applicants must include how they will implement best practices throughout the application narratives and in other attachments or resources submitted as a part of the application process.

- Harm Reduction
- Trauma-informed Care
- Housing First
- Culturally Responsive Services
- Racial Equity
- Client-Choice
- Multi-system Approaches
- Motivational Interviewing (encouraged)
- Critical Time Intervention (encouraged)

Eligible Project Types

The Collaborative Applicant and NOFO Task Group approved local funding priorities to be used as a part of the CoC funding competition. Priorities were developed based on the unique service and housing needs of individuals and families in Tulsa experiencing homelessness and/or housing instability. **Project types that will be prioritized align with federal and local funding priorities.**

Resources

Conflict of Interest Policy

No member of the Review Panel may have a conflict of interest in creating the recommended Priority List. Review Panel Members will be asked to sign a statement declaring that they do not have a conflict of interest.

A conflict of interest exists if:

- The panelist or a member of their immediate family is now, has been within the last year, or has a current agreement to serve in the future as a Board member, staff member, or paid consultant of an organization making a proposal for funding;
- The panelist is currently employed by or sits on the Board of Directors for an organization that has a contractual relationship with any entity making a proposal for funding or has had one within the past year. However, no conflict exists under this provision if the panelist's employer, or the organization on whose Board the panelist serve, is a funding entity or if the contractual relationship in place is not impacted by the proposals being made; or,
- Any other circumstances exist which impede the panelist's ability to review and rank the proposal for funding objectively, fairly, and impartially.

Exception: Panelists may serve on a panel if they are no longer affiliated with an organization making a proposal for funding, AND the potential conflict has been waived through public notice to the CoC with no opposition raised within the period listed in that public notice.
